Dear Parents

We warmly welcome parents of P1 classes (2022) to Parents Gateway. Each month, you will receive a letter from me, providing you with updates of major school events and activities. This would be the last letter for 2021 as the school academic year draws to a close on Friday, 19 November 2021.

P4 students need not come to school on Monday 15 November, as their Form Teachers will be discussing about SBB with some parents on that day. More information will be provided to parents of these identified P4 students in due course.

5) **Issue of Report Books (Wed 17 Nov)**

7) Prize-Giving Day 2021

Our Prize-Giving Day will be held on Tue 16 November, instead of Thu 18 November. As per SMM, our school will also be scaling down on this year's Prize-Giving Day. The ceremony will be held in our school hall and SMM will be strictly adhered to. Prize-winners will be able to go up on stage to have their photograph taken. Photos will be taken for them individually. The student will be asked to remove his/her mask just for about 10 seconds to enable good photos to be taken. The prize(s)/award(s) won by our students will be superimposed onto these photos so that it would be a meaningful memento for them.

This year, the photos will be presented in a nice folder and presented to our students in the new academic year. Soft copies of the photos will be sent to parents via PG in Nov/Dec.

8) Travel Declaration for students

All parents & guardians have been requested to declare your child's/ward's travel plans for the year-end holidays (only if your child/ward intends to travel for the year-end holidays). If you have not done so, it would be much appreciated if you can do so via Parents Gateway as soon as possible. NIL returns are not required. Only one parent is required to declare.

9) Release of PSLE Results 2021

The 2021 PSLE results are tentatively scheduled to be released between Wednesday 24 November and Friday 26 November.

Do keep a lookout for the confirmed date, which will be announced by the Singapore Examinations and Assessment Board (SEAB) sometime from mid-November onwards. We will use Parents Gateway to keep parents of P6 students updated.

10) NTUC Fairprice's Share-A-Textbook Project 2021

Our school will be participating in the NTUC Fairprice Share-A-Textbook project to help needy students save on textbook costs. This project collects used textbooks and storybooks, which are in good condition. Through the reusing and recycling of textbooks, this project aims to promote conservation of resources while imparting the spirit of giving and inculcating the value of thrift in our young.

The donation drive will be from Monday 8 November to Friday 12 November. Students who wish to donate textbooks and storybooks can drop off the books at the collection point outside the Dental Clinic. Please donate textbooks which your child(ren) will no longer need. P3 to P5 Science textbooks and P5 Maths textbooks will still be needed at the P6 level so please do not donate these books.
